Monimax 5600S guarantees maximum availability and security.

Maximum Efficiency

Monimax 5600S maximizes the efficiency of installation and operation and with minimum maintenance needs.

Monimax 5600S enables you to reduce the total cost of ownership.

Ultimate Usability

Monimax 5600S provides a seamless self-service experiences for customers.

Monimax 5600S can increase foot traffic to your business and drive more sales.

**Absolute Reliability
Maximum Efficiency
Ultimate Usability**

**“ Outstanding Returns on
your ATM ”**

benefit 1

Absolute Reliability

- Equipped with most reliable components including a higher capacity of CDU (up to 355mm per cassette)
- Faster dispensing technology (6 notes per second)
- Design (dispensing shutter, cash slot) reinforced against vandalism,
- highly secured PIN pad cave

benefit 2

Maximum Efficiency

- Remarkably compact footprint
- Smallest serviceability area
- Perfectly fit to any indoor and outdoor locations.
- CIT cost rationalization due to improved cash capacity.
- Low energy LED lighting, low power consumption, etc.

benefit 3

Ultimate Usability

- Modern and sleek design with 15" touch screen
- Value-adding functionality (e.g. bill payment, funds transfer, mobile top-up, ATM advertising)
- Mobile-ready functionality via contactless card reader (e.g. NFC or RFID)
